Dr. A.P.J. Abdul Kalam Technical University (AKTU)
GL Bajaj Institute of Technology & Management

**2nd Year**
Currently pursuing

## TECHNICAL SKILLS

**Web:** HTML, CSS, JavaScript (learning)
**Programming:** C Programming, C++ (DSA in progress)
**Tools:** Git, GitHub

## PROJECTS

### Portfolio Website

Personal portfolio website presenting profile, skills, and projects. Built with HTML and CSS; project links are organized for visitors.

### Blog Website

Created a blog-style webpage with a card-based layout using HTML and CSS, practicing layout, spacing, and responsive styling.

### Amazon Clone

Built a static Amazon-inspired interface using HTML and CSS to practice page structure, navigation, and styling.

## CORE STRENGTHS

Self-learning • Project-based practice • Willingness to learn and improve
